

Cody Richert

VP, FINANCE AND ONBOARDING

Cody is the Vice President of Finance and Onboarding at Bestige Holdings. He partners with portfolio company leadership and Bestige's Investment and Operations teams to professionalize the accounting and finance functions at new portfolio partnerships and deploy the firm's onboarding playbook.

Cody brings over 10 years of finance, accounting, and operational experience to his role at Bestige. Throughout his career, he has partnered with management teams to deliver financial insights and worked across functions to drive strategy.

Before joining Bestige, Cody spent four years in FP&A roles at private equity-backed multi-site healthcare companies, where he built out the finance and business intelligence functions. He led the monthly financial reporting process and the annual forecasting and budgeting cycles. He worked closely with the executive team and operational leaders nationwide to execute the financial strategy. Prior to that, Cody was a transaction advisory consultant at RSM performing buy- and sell-side financial due diligence for private equity clients in the lower middle market. Cody began his career with three years in audit at RSM and later served as controller of a healthcare company before returning to RSM's transaction advisory practice.

Cody graduated from the University of Illinois with a Bachelor's and Master's in Accountancy. Cody resides in Nashville, Tennessee, with his wife, Meg, and their two daughters. Outside of work, he enjoys neighborhood coffee walks with his family, biking the local greenways, and playing pickleball with friends.
