

Melissa Lane

DIRECTOR, FINANCE AND ONBOARDING

Melissa is the Director of Finance and Onboarding at Bestige Holdings, where she partners with portfolio company leadership to build and elevate accounting and finance capabilities during the first phase of a new investment while assisting in the rollout of the firm's onboarding playbook.

Melissa brings extensive experience leading FP&A, operational finance, and value-creation initiatives across private-equity-backed healthcare and multi-site services organizations. She has a proven track record of building scalable financial infrastructure, strengthening governance, and elevating reporting and analytical capabilities to support growth and operational excellence.

Prior to joining Bestige, Melissa held finance leadership roles at Chord Specialty Dental Partners, OneOncology, and NDC Inc., where she enhanced enterprise reporting for a multi-site network, guided finance teams through multiple transactions, and led forecasting, budgeting, and pro forma analytics. Melissa began her career in Deloitte's Audit practice and is a licensed Certified Public Accountant.

Originally from Michigan, Melissa earned her BBA from the University of Michigan Ross School of Business and a Master of Accountancy from the University of Tennessee. Melissa is based in Nashville with her husband and two sons. Melissa enjoys working out, running, and reading.
